THE PRESIDENT'S MESSAGE

By Eric Hubbard

February 1999

Here I am, living proof that sometimes even a blind pig finds an acorn. My First coin from the 1700's, I wish it was in better shape, but then how many do we ever find that we're satisfied with. At least it could be identified; although it had to be done by a professional.

Our speaker this month is one of our NUTS club members, Mel Milgram, with the Hoffman Mint. He'll be telling us about the striking of medals and tokens. He also promised some free samples, Too bad he's not from Fort Knox. I'm really looking forward to his presentation, hope you are too.

Just a reminder, we need to start signing up for work at the coin show. there are a limited number of spots and that's the only way to get the extra tickets for our Christmas Dinner drawing.

A special thanks to Ralph gold for the JAZZ tickets donated to the club last month. I know they went to good use & were enjoyed. They also help the club out financially. So if any of the rest of you want to help the club and have a new Porsche you're not using.....

I really need to emphasize the importance of getting your articles and submissions to me in a timely manor. If I don't receive the information to put the newsletter together it looks kind of plain and dull.

Cliff Fauset
